Become a Dance Mentor!

Attend the Upcoming Training Session: Sunday, July 21st, 2-4pm

Do you love to dance? Do you like to give back to your community, specifically to individuals with Special Needs? If the answer to these questions is yes, then you should become one of our Volunteer Dance Mentors! Our next Dance Mentor Training Session is **July 21st from 2-4pm at Steel City Ballroom (702 Washington Road, Mt. Lebanon, PA 15228)**, and we'd love to see you there!

What is a Dance Mentor? Dance Mentors are the heart of the Yes, You Can Dance! Special Needs Ballroom Program. They are volunteers who participate in a training session in order to learn how to become the dance partner of Special Needs students. No dance experience is necessary, we provide **FREE** training. **Attendance of a training session is mandatory** prior to participation in the program. During Special Needs Ballroom Classes, each student is paired up with a Dance Mentor to ensure that they are provided with individual attention. Every Special Needs Ballroom Session is six weeks long with an hour-long dance class held each Sunday afternoon. **Mentors may start mentoring as early as the August 4 – September 8th session**, but if unavailable, mentors may start their participation during any upcoming month. **To register or to ask any questions, email jereed@yesyoucandance.org, call 412.999.3998, or register on our website at www.yesyoucandance.org/events**

We LOVE & Reward Our Volunteers

What better way to reward our Dance Mentors than to provide them with FREE dance lessons?

In the past Mentors have received lessons from Night & Day Studio, Los Sabrosos, Dryden Dance Center, Steel City Ballroom, Sarah Morgan Wheeler & Brad Wheeler, Pittsburgh Dance Center, Kathy Kelly, Ballroom Central by Bill and Denise, and Art & Style Dance Studio
